

STUDENT YEARBOOK 2014

Formed in association with University of the Arts London (UAL) in 2009, the International School of Creative Arts (ISCA) is a specialist day and boarding school specialising in art, design, media and communication.

Designed to nurture young talent, ISCA's delivery of its specialist arts curriculum prepares students for entry to university, and supports students' progression to UAL and other Higher Education institutions across the world.

MESSAGE FROM THE HONORARY PRESIDENT

Professor Jimmy Choo, OBE

I am delighted to introduce the artworks created by ISCA students in this 2014 Yearbook, and would like to wish all our students every success as they embark upon the next stage of their artistic careers. The graduates this year have been offered places on prestigious courses at University of the Arts London (UAL) and across the globe. I strongly believe that ISCA is the starting point of a rewarding journey in the art world, and students leave the college with a global passport that will sustain them as they pursue an education and career in their chosen field.

I very much hope that, like me, you will enjoy viewing these diverse works of art spanning the many disciplines on offer at ISCA.

They are a visual testament to the skill and imagination of our students.

Honorary President Professor Jimmy Choo, OBE,
meets Patron C Edward Guinness Esq, CVO.
