

GRADUATION PLANS

Plans are being finalised for a virtual graduation event later in the term when we can come together to mark the brilliant achievements of our year 2 students and congratulate them on their hard work. We should remind ourselves of the fact that the class of 2020 has achieved a 100% success rate in university offers.

In terms of the occasion, there will still be messages from tutors, student speeches and presentations of work. Students and their parents will be able to enjoy the event online. As ever, a special year book, which documents the work of each and every student, will be published.

We will be in touch again shortly once arrangements have been agreed!
